**PUBLIC NOTICE OF INTENT
TO ISSUE A COMPOST PLANT PERMIT**

The Administrator, Nevada Division of Environmental Protection, Carson City, Nevada, is issuing the following notice of proposed action under the Nevada Administrative Code 444.570 through 444.7499, inclusive, and under the Nevada Revised Statutes 444.440 through 444.620, inclusive.

The Administrator has received a complete application for a permit to construct and operate a compost plant from the following applicant:

Full Circle Compost, Inc.

The applicant is seeking authorization to operate a compost plant at:

Sec. 8, T. 13 N., R. 20 E, MDB&M,
2298 Heybourne Road, Minden, Nevada

On the basis of a review of the requirements of the Nevada Administrative Code (NAC) and implementing regulations, the Administrator proposes to issue a permit to construct and operate a compost plant as described in the permit application.

The applicant or any interested persons may comment on this proposed intent by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code by submitting their comments or request, in writing, by March 12, 2004 to:

Dennis S. LaPrairie, P.E.
Division of Environmental Protection
Bureau of Waste Management
Solid Waste Branch
333 West Nye Lane
Carson City, Nevada 89706-0851

Note: This notice is for electronic distribution.

All comments or requests for a public hearing received by March 12, 2004 will be addressed in final determinations regarding the application. A request for a public hearing must state the nature of the issues the requester intends to raise at the hearing. The Administrator may extend the period for public review as deemed necessary.

If written comments indicate a significant degree of public interest in the proposed permit, the Administrator may schedule a public hearing. A public notice of such hearing will be issued and published in a newspaper of local interest at least 30 days before the date of the hearing.

A statement responding to written comments on the proposed issuance of the permit shall be issued. Copies of the statement will be sent to the applicant, person(s) who submitted the written comments, and all other persons who specifically request, in writing, a copy of the statement. A copy of the statement will be made available for inspection by the general public at a location to be determined by the Administrator.

Within 30 days after the end of the period for public review, the Administrator will issue a permit to operate the compost site, or, deny the application and send written notice to the applicant which details the reasons why the application is being denied.

The application, proposed permit, and other information are available for public review at:

Nevada Division of Environmental Protection,
Bureau of Waste Management
Solid Waste Branch
333 West Nye Lane
Carson City, Nevada 89706-0851

Information on receiving copies may be obtained by writing to the Nevada Division of Environmental Protection at the above address or by calling Dennis S. LaPrairie, P.E. with the Bureau of Waste Management at (775) 687-9472.
